FAN EXPERIENCES

Whether it's being on the main floor high-fiving the players or being on center court waving the Pacers flag during player introductions, our Fan Experiences are once-in-a-lifetime opportunities everyone will talk about long after the game is over. We have several Experience options available for your group. Check out some of our available options below and contact us today and we'll help you make your next Pacers game even more memorable.

Court of Dreams

Play on the Pacers court for a couple of hours prior to or after a Pacers game. This is perfect for basketball teams looking to make memories, or companies looking to create team bonding experiences.

Tunnel Club

Twenty members of your group will take to the main court and high-five the players as they run through your tunnel during halftime.

Player Intro

Join our Hype Crew on center court and help them wave the giant flag during the dramatic Pacers player introductions. You'll be just feet away from the team!

Showtime

Bring your dance or cheer studio and perform in front of our fans prior to tipoff.

Pregame Viewing

Your group will be able to come in before doors open and sit in lower level seats to watch the Indiana Pacers and the visiting team warm up. Members of your group will be able to take photos and videos as the players get ready for the game.

Pregame/Halftime Presentation

During either pre-game or halftime, your organization can have the spotlight on the main floor and do a presentation on center court in front of the entire arena.

FUNDRAISING

See action-packed basketball with your group and help your organization at the same time! A portion of every ticket purchased through your exclusive offer will benefit your organization.

We'll provide a special group rate and add in a set amount just above that rate that will go back to your organization. We'll hold seats for you and at the deadline, should you not sell all seats held, you are not responsible.

Here's How It Works:

Step One We'll discuss your goals and help you with a marketing plan to raise funds for your organization.

Step Two We'll design customized marketing materials to assist you and help with a marketing timeline.
